

# EMERGING "BAME" COMMUNITIES FROM THE COVID-19 IMPACT

African French Speaking Organisation (AFSOR) is delivering some services and skills for life online;. AFSOR is also offering supports, remotely, to "AFSOR" and "BAME" communities people. African French Speaking Organisation has received a grant from London Communities Coronavirus Appeal.

## We are delivering:

- • **Information, Advice, and Guidance (including the Covid-19 vaccination)**
- • **Platform to talk remotely to someone about any challenges or issues they may be facing.**
- • **Online IT skills training for those who are in the process of developing new skills in IT and Employability skills.**
- • **Online ESOL and Communication skills classes.**

AFSOR is pledging support in fresh food parcels delivery for: Old; disabled, Lone parents, and families on a low income.

We are offering support in volunteering opportunities, and job search.

Tel: 07986630944; or 07565504269.
